Work Experience

Sales Operations Intern Remote: Seattle, WA

Ever.Ag *May 2026 – Present*

- Served as Salesforce Administrator for a sales team of 50+ representatives, owning CRM configuration, data integrity, and reporting infrastructure
- Reassigned 1,000+ orphaned accounts from departed employees to active sales representatives, protecting existing pipeline value and preventing account attrition
- Built and maintained custom Salesforce reports and dashboards adopted by sales leadership, replacing manual tracking methods and improving pipeline visibility by 12 percent
- Sought out exposure to enterprise sales strategy by attending executive-level sales meetings, building a working understanding of deal negotiation, account planning, and pipeline decision-making beyond CRM operations
- Conducted regular data audits across the CRM to identify and resolve duplicate, outdated, or incomplete account records, strengthening overall data reliability
- Collaborated cross-functionally with sales, marketing, and leadership teams to support broader sales operations initiatives and align CRM data with business needs

Meadowbrook Country Club Northville, MI

Fine Dining Server *Apr 2025 – Dec 2025*

- Delivered exceptional service in a fine dining environment by providing knowledgeable recommendations and creating a personalized guest experience
- Anticipated guest needs while managing multiple tables with professionalism, efficiency, and attention to detail
- Coordinated with kitchen and service teams to execute events ranging from executive dinners to functions with 400+ guests

Food and Beverage Attendant *May 2024 – Sept 2024*

- Delivered fast, personalized food and beverage service to golfers in a high-volume environment, building strong customer relationships through attentive and responsive service
- Leveraged tee sheet information to anticipate customer arrival times and preferences, remembering repeat orders and proactively preparing for returning guests

Office Assistant Livonia, MI

Sun Wave Reality *Jun 2021 – Sept 2022*

- Managed incoming calls, directed inquiries, and scheduled appointments to support smooth office operations
- Created and managed social media content to promote listings and engage with potential clients
